

## Eye Wire Rope Slings

- Wire Rope Slings are flexible and resistant to abrasion
- Least expensive, per capacity, of all steel slings
- Use of EIP, IWRC rope gives 15% greater capacity than IP, IWRC ropes

WR38X8 3/8" X 8'

WR12X10 1/2" X 10'

## Endless Round Slings

- Round sling is lightweight which helps reduce cost with less rigging weight, easy to handle for storage and reduces the risk of back and hand injuries
- The safety aspects include: Cover abrasion, a strong grip on loads, a tighter choke with an easier release, low stretch, capacities are color coded and red core warning fibers which alert users to damage

## Screw Pin Anchor Shackles

- S-Line's Anchor Shackles allows for easy handling with a long product life
- Galvanized to provide high resistance to corrosion
- Suitable for a wide range of industries

Clevis Slip Hook w/ Latch Kit

## Oversize Load Banner

- Made of Vinyl with a bright Yellow color to protect your over sized loads

33SIGN-1101 18" x 96"  
Osl w/ Rope Attached

## Eye & Eye Web Slings

- Features load protection, strength, convenience, safety, long life, shock absorbance and red indicator core which assist in determining sling wear or damage
- Safely protects the load and has a tensile strength as great as 300,000 lbs or more
- Its convenience and safety make our slings economical and the added value on a long life span

## E Track Silver

- Our 302 E Track Slot is made with 12 gauge Zinc & Clear (Silver) Passivate

- Made in 10' pieces

302-SLV 10'

## 2" Temporary Traction Strap

- Commercial Dual wheel vehicles only
- With the multiple aspects of this tool you can decide how much traction is needed for your situation
- Fits in the glove compartment

30-SNAPCHAIN

## Binder Chains

- Made from carbon steel. High tensile strength and Long wear
