

HOSES & FITTINGS

Hose & Compressor Supplies

- MP2920** 1/4" Ind. Coupler and Plug Set
- BC2883** 1/4" Ind. Coupler NPT(F)
- BC3234** 1/4" Ind. Coupler NPT(M)
- BC2117** 1/4" Ind. Plug NPT(F)
- BC2468** 1/4" Ind. Plug NPT(M)
- MP3335** 1/4" Universal Coupler NPT(F)
- MP2847** 17 pc. Accessory Kit
- PA1183** 50' x 3/8" Rubber Hose
- PA1040** T-Fitting 1/4" NPT
- ST1270** Tool Oil
- ST1253** Compressor Oil

Water Hose

- Inhibits stain-causing mold. Contains Microban anti-microbial agent. Protective Scuff-Guard finish. Drinking Water Safe.
- 4003600** 5/8" x 50' PVC
- 4003700** 5/8" x 75' PVC

Premium Water Hose

- Premium lifetime water hose manufactured with Microban. Octagonal Heavy-duty crush proof couplings.
- 4000100** Premium 5/8" x 50'
- 4000200** Premium 5/8" x 75'

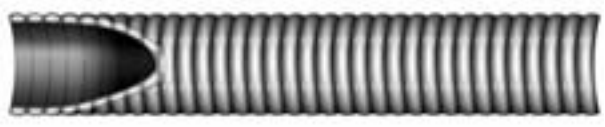

Hot Water Hose

- Will withstand hot water up to 200 degrees. 500 PSI burst pressure. Crush-Proof heavy duty solid brass couplings.
- 4004500** Hot Water 3/4" x 50'
- 4004600** Hot Water 3/4" x 75'
- Heavy-Duty double Spiral reinforcing
- 4004200** Hot Water 5/8" x 50'
- 4004300** Hot Water 5/8" x 75'

Jackhammer Rubber Air Hose

- Lightweight and flexible, easy to handle
- Yellow: abrasion, weather, heat, and ozone resistant. Easily identified as better grade hose
- Red or Blue: Standard, economical grade jackhammer hose
- Choose color for easy identification.
- L-15** .75 x 50' coupled Yellow Hose.
- L-80** .75 x 50' coupled Red Hose
- L-80B** .75 x 50' coupled Blue Hose

PVC Water Suction Hose

- Long service life compared to competitors' due to vacuum resistance - does not collapse easily
- Great abrasion resistant cover - longer service life
- Excellent kink resistance due to special compound PVC helix
- V130-2.0X20CKC** V130-2.0x20-ckc
- V130-2.0X20QC** V130-2.0x20- Quick Coupler
- V130-2.0X20CSTR** V130-2.0x20-cstr
- V130-2.0X20M/F** V130-2.0x20-Male By Female
- V130-3.0X20QC** V130-3.0x20- Quick Coupler
- V130-3.0X20CKC** V130-3.0x20-ckc
- V130-3.0X20CSTR** V130-3.0x20-cstr

PVC Water Discharge Hose

- High adhesions between tube and cover - longer service life than other blue PVC lay-flat hoses
- Multi-layer construction provides increased durability
- Temperature range: 14° F - 140° F
Wider hose equals longer service life
- V136-2.0X50M/F** V136-2.0x50-Male By Female
- V136-2.0X50QC** V136-2.0x50-Quick Coupler
- V136-3.0X50M/F** V136-3.0x50-Male By Female
- V136-3.0X50QC** V136-3.0x50-Quick Coupler
