

### Cobalt Drill Bits

- 135 degree split point drills on contact and prevents walking
- Industrial grade cobalt steel for added durability
- Ideal for drilling in stainless steel, abrasive metal and other hard-to drill alloys

DW1263 13 pc. Split Point Set

### Black Oxide Bits

- For general use in wood, metal, and plastic
- Black oxide coating resists corrosion
- Bit is constructed of M-1 high speed steel for the best combination of strength, heat resistance, and wear resistance
- 135 degree split point ensures a true start and eliminates bit walking
