U818059 General Purpose First Aid Kit

EM3144

EM7195

EM4155

### North Ear Muffs

- NRR: 29dB
- Unique cup design allows for easy adjustment
- Large earmuff for maximum attenuation
- Comfortable, large, soft sealing cushions
- ABS head band with highly comfortable pad

UEM7195 Ear Muff Jaguar

- NRR: 21dB
- Good protection when exposed to intermittent harmful noises
- Ultra light; comfortable head band
- Cups are made of styrene

UEM3144 Ear Muff Mosquito

- NRR: 23dB
- Low profile; no snag band
- Maximum comfort; soft sealing cushions
- Good attenuation
- Lightweight; durable
- Dielectric

UEM4155 Ear Muff Mustang

019743-0030L

### North First Aid Kits

#### 10p First Aid Kit

- Construction 10 person bulk kit
- Great value for high quality

UFAB10P 10 person

#### 25p First Aid Kit

- Construction 25 person bulk kit
- Great value for high quality.

UFAB25P 25 person

### North Ear Plugs

284200UO

- Soft polyurethane foam maximizes noise protection
- NRR 31dB
- Un-corded, non-toxic and non-irritating
- Comfortable, flexible, and easy to wear

U284200 Earplug, DECI4200, 1 ct 200 pair per box.

- Soft polyurethane foam maximizes noise protection
- NRR 32dB
- Comfortable, flexible, and easy to wear
- Non-toxic and non-irritating

U284240 Earplug, DECI4240, Corded 1 ct 100 pair per box

280205

280250

- Antimicrobial Protection protects against degrading microorganisms; does not wear off
- NRR: 29dB
- PVC high density foam construction; excellent wearer protection; better fit in ear canal; increased wearer comfort
- Quickly expand to fit the ear canal, leading to increased ease of use
- One size fits all; lightweight; non-toxic; non-irritating; disposable

U280205 Earplug, DG AB, Uncorded, Film 1 ct 200 pair per box

U280250 Earplug, DG AB, Corded, 1 ct 100 pair per box

281603

281614

- Antimicrobial Protection protects against degrading microorganisms; does not wear off
- NRR: 26dB
- Inserter device helps with ease of insertion and reduces attenuation variability
- Triple flange design provides multi-surface sealing over a wide range of ear canal sizes
- Made of silicone rubber; non-toxic and non-irritating
